ORDINANCE 96715

AN ORDINANCE relating to the maintenance of certain structures in, along and across the public streets; providing for inspections and payment of inspection fees in connection therewith and prescribing penalties.

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The City Engineer shall annually, or oftener as he shall deem necessary for the protection of the public safety, inspect or cause to be inspected all bridges, trestles, viaducts, tunnels, grade crossings, and other structures which have been or may be constructed or installed in, along, over, or across the public streets of the City pursuant to ordinance granting any franchise or special permit and required by such ordinance to be maintained by the grantee of any such franchise or special permit.

Section 2. The cost of such inspection shall be paid by the grantee of any such franchise or special permit and the City Engineer is hereby authorized to bill for and collect fees in such amounts as are commensurate with the reasonable cost of such inspections.

Section 3. This ordinance shall not be applicable to inspections made in accordance with specific provisions of an ordinance authorizing or granting any such franchise or special permit where the payment of the cost of inspection is specifically provided for in such ordinance.

Section 4. Anyone violating or failing to comply with this ordinance shall upon conviction thereof be punishable by a fine of not to exceed Five Hundred Dollars (\$500) or imprisonment for not exceeding ninety (90) days, or both such fine and imprisonment.

(To be used for all Ordinances except Emergency.)

Section 5. This ordinance shall take effect and be in force thirty days from and after its passage and approval, if approved by the Mayor; otherwise it shall take effect at the time it shall become a law under the provisions of the city charter.

Passed by the City Council the 20 day of May, 1968,
and signed by me in open session in authentication of its passage this 20 day of
May, 1968. G. C. Miller
